

## Wall Mounted Cell phone & RF Jammer (315MHz/433MHz)

### Main Features:

Wall Mounted 3G Cell Phone Jammer, Wall Mounted High Power RF Jammer

### Image:

### Specifications:

|                    |                                                                                                                                                                                                                                              |
|--------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Device Blocked:    | Cell Phone, RF                                                                                                                                                                                                                               |
| Signal Blocked:    | GSM,CDMA,DCS,PCS,3G,RF                                                                                                                                                                                                                       |
| Blocked Area:      | 5 to 40 Meters Depending on signal strength and working environment                                                                                                                                                                          |
| Jamming Frequency: | CDMA:850-894MHz 34dBm 6dBm/30KHz(min)<br>GSM:935-960MHz 34dBm 5dBm/30KHz(min)<br>DCS/PCS:1805-1990MHz 33dBm 2dBm/30KHz(min)<br>3G:2110-2170MHz 33dBm 0dBm/30KHz(min)<br>315:315MHz 33dBm 0dBm/30KHz(min)<br>433:433MHz 33dBm 0dBm/30KHz(min) |
| Output Power:      | 13W                                                                                                                                                                                                                                          |
| Power supply:      | AC100-240V-DC12V                                                                                                                                                                                                                             |

|                       |                                            |
|-----------------------|--------------------------------------------|
| Typical Battery Life: | None                                       |
| Battery:              | None                                       |
| Weight:               | 2KG                                        |
| Dimension:            | Antennas off - 305 x 106 x 32mm(L x W x D) |

#### Package Included:

- 1pc Wall Mounted Cell phone & RF Jammer (315MHz/433MHz)
- 1pc Power Adapter (100-240V)
- 1pc Car Charger
